

Buttercup: We'll never survive.

Westley: Nonsense. You're only saying that because no one ever has.

In view of fifty years of war without resolution, and apparent irreconcilable differences between the Islamic tradition and the Rest of Us, we are endorsing this Agreement for World Partition -

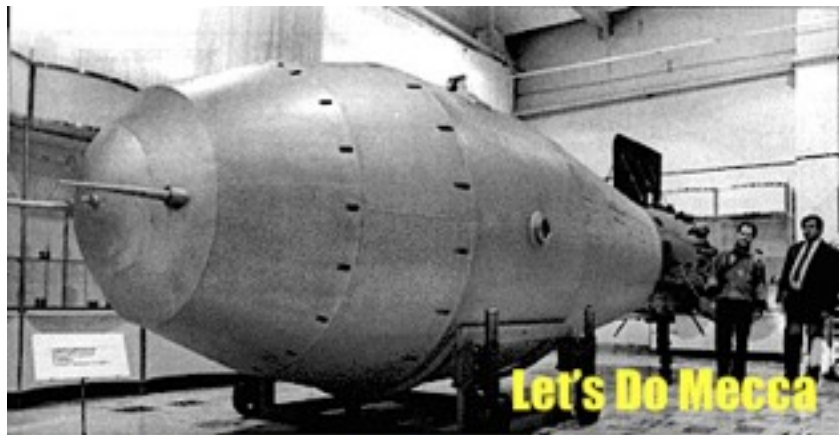

1. All actions of the ummah pursuing jihad in the dar al-harb will be discontinued. The world will be partitioned into the Peaceable Kingdom, the dar al-Islam, for the umma, and the Western Lands, the dar al-harb, for the kufr.

2. The Western Lands will refrain from bombing the Peaceable Kingdom back into the Stone Age. A number of preplaced thermonuclear weapons (TNIED)* have been situated in scattered locations all around the Peaceable Kingdom, and are well marked. These should not be tampered with. Turn off your cell phone nearby. Restrain your goats and children.

*THERMO NUCLEAR IMPROVISED EXPLOSIVE DEVICE - If a bomb or missile, or a bullet or a stone, drops on Israel or any other Western Land, dar al-harb, one or more randomized preplaced thermonuclear explosions will occur in Muslim lands, dar al-Islam. The affected area will be vaporized, and be radioactive and uninhabitable for a number of years.

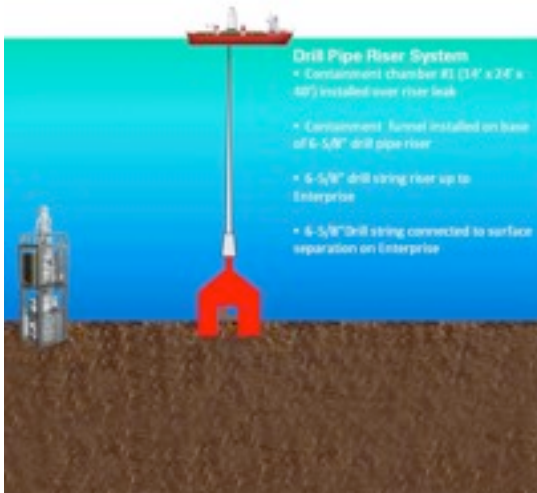

3. All Muslims will return from the Western Lands, dar al-harb, to their Peaceable Kingdom immediately. You will not be required to finish your education. Your student loan will be forgiven. Any and all irrecoverable Muslim property in Western Lands, dar al-harb, will be confiscated. All irrecoverable property of the dar al-harb in the dar al-Islam will be destroyed or abandoned in place.

4. Israel, of the dar al-harb, will be granted dominion between the midlines of the Gulf of Suez and Gulf of Aqaba, the east bank of the Nile / Suez Canal and the midline of the Jordan River to it's source, and thus due west to the Mediterranean Sea. This territory will be considered Western Lands, in the dar al-harb.

5. No further trade, travel, or overflight within the atmosphere will be permitted between the Peaceable Kingdom, the dar al-Islam, and the dar al-harb after [DATE]. Any traitor or spy must die.

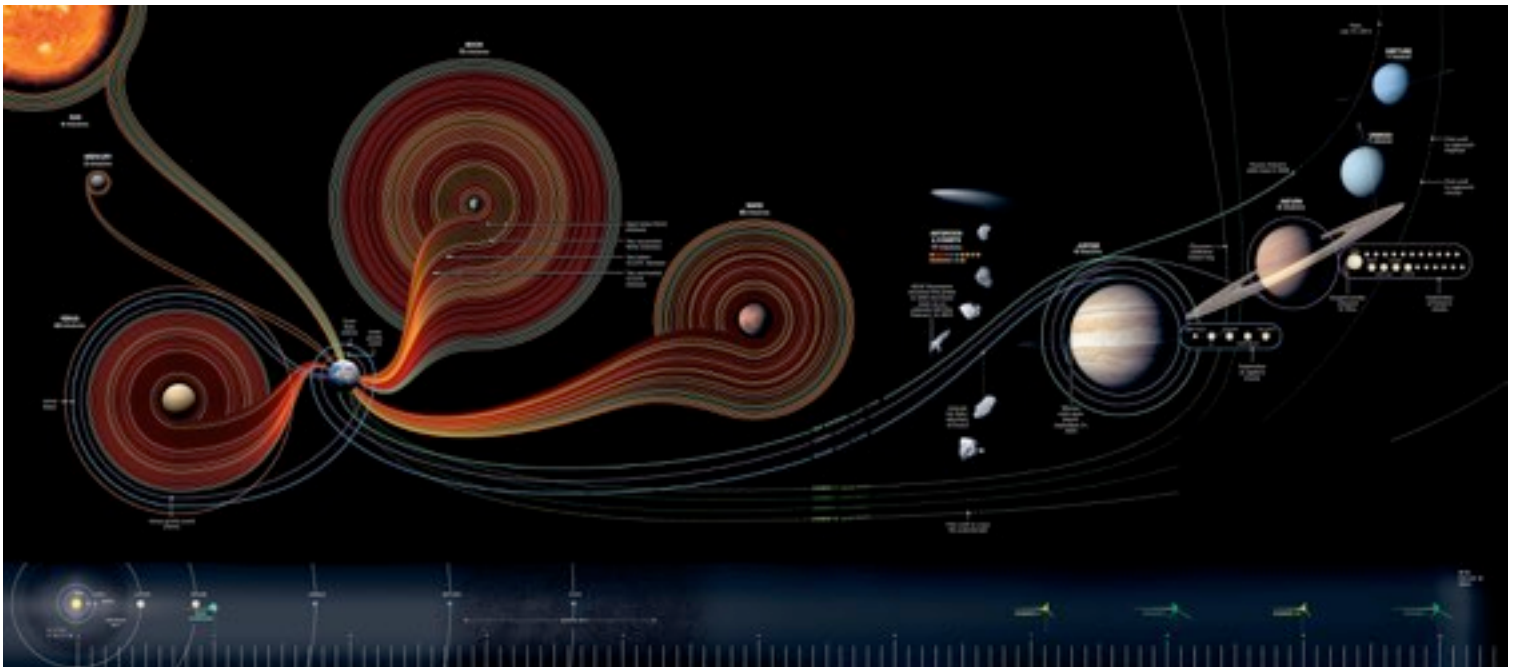

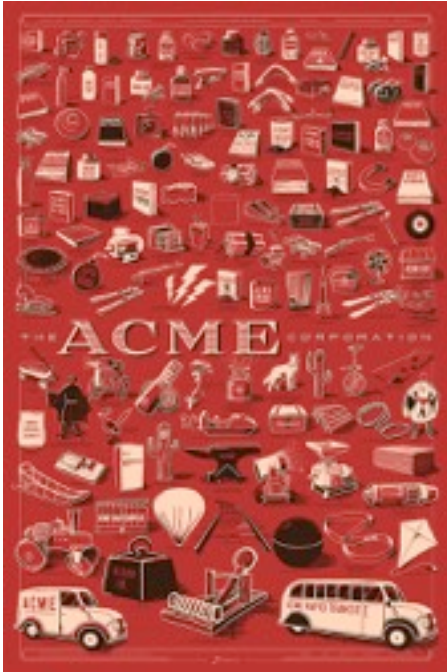

6. The Sunni Kha'lif, or a victorious challenger by personal combat, by the Might of Allah, will have dominion over the Peaceable Kingdom, the dar al-Islam. Shia's must be slaughtered as apostate to the True Faith. This will be the final solution. That settles that.

7. This agreement will remain in effect as long as the sun shall set and the moon shall rise, until the end of time, and the jubilant return of Schrodinger's Cat.

For the ummah
